

Our thermal pool facilities

... more relaxation at Franken-Therme! Immerse yourself in an enchanting "symphony of salt"! Our thermal pool world offers you refreshing relaxation in bubbling variety: From our 1.5% pools in the indoor and outdoor area, to the two 12% floating pools in the new high-salinity area, there's something for everyone. Six thermal salt-water pools with temperatures ranging from 30°C to 36°C await our guests.

We offer water aerobics daily, every two hours between 10:00 - 20:00.

More pools,
more brine ...

The sauna world

Revel in pure sauna enjoyment: Whether classic Finnish, Swiss pine sauna, aroma steam bath or "Brechelbad" (herbal sauna) – you will love the variety in our sauna world! Indulge in our changing, daily offers of aromatic infusions and peelings, and relax in our cosy quiet areas or in our beautiful sauna garden.

The fascinating "Salzsee"

Discover bathing enjoyment that is out of the ordinary in our "Salzsee", in the outdoor section of the thermal pool facilities! Heated year-round, partially covered with a dome, and fed with fully saturated brine (26.9% salt content), the "Salzsee" is a fascinating floating experience. Let yourself go and enjoy the relaxing sensation of weightlessness!

Our wellness area

Leave the cares of the day behind you and experience moments of deep relaxation: You can enjoy this dreamlike sensation in our wellness area as you are pampered and cared for. Relax during a massage with aromatic oil, discover a fairytale-like ceremony in the Rasul steam bath, or enjoy a refreshing facial in our cosmetics area.
